The meeting take place at DBC, Tempovej 7-11, 2750 Ballerup, Denmark [www.dbc.dk](http://www.dbc.dk)

9:00 arrival and coffee

9:30 first session

Danish participants gives a short presentation about the library workflows today, about 10 minuts pr. library:

- State and University Library [www.statsbiblioteket.dk](http://www.statsbiblioteket.dk)
- The Royal Library [www.kb.dk](http://www.kb.dk)
- University Library of Southern Denmark [www.sdub.dk](http://www.sdub.dk)
- Roskilde University Library [www.rub.ruc.dk](http://www.rub.ruc.dk)
- CBS Library [www.cbs.dk/bibliotek](http://www.cbs.dk/bibliotek)
- Selection, Acquisition and Cataloging at University Colleges and Public Libraries (DBC)

Danish libraries are particular interested in SDI services for acquisition, I enclose our proposal.

David Whitehair gives an overview of various WorldCat Cataloging products and services, including Connexion, WorldCat Cataloging Partners, WorldCat Selection, Bibliographic Record Notification, and others incl. how each could help with workflows.
